Compare our ROI to any other modality!

Just one client rental / month creates substantial revenue!

With today's rising expenses and lost revenue to the Internet, it's a challenge to grow your practice net income. Let Multi Radiance prove how Laser rentals multiply quickly!

Your clients have been hearing about Laser's beneficial wound and rehab effects for years, but we are the only company offering you Class 1 safe and effective rentals for your clients.

Multi Radiance is committed to veterinarians

- ACTIVet PRO Laser System - Perfect for your practice
- Multiple MyPetLaser units - Perfect for client rentals
- Both come complete with Companion Protocol Manuals
- Complete Rentals Marketing Program to get started fast!
- Unlimited tech support for you and your techs

Great results for your client's pets Great passive income generator for you!

Solve the problem of treatment consistency for arthritis, post-op healing, joint injury rehab, elder pet pain management, and lick granulomas. Add your clients to the rehab team! They love the convenience, cost effectiveness and safety of using our Super Pulsed Lasers in the stress-free comfort of home.

Go with the leader in Laser innovation with more peer reviewed studies than any other Laser therapy company. And we're practice proven with thousands of vets like you!

Rental Pro Forma Worksheet

MyPetLaser Rental Estimated Revenue Worksheet

	Practice Example	Your Practice
Number of patients seen per week	50	
% of patients with: pain, wounds, or are post-procedure	70 %	%
Patients with conditions that could benefit from stress-free, at-home laser	35	
Percentage that would qualify for rental agreement	25 %	%
Sample Laser Care Plan <small>(rental fee: \$250/week per patient)</small>		X Your Fee
Laser of rentals per week	1	
Laser rental revenue per week	250	
Laser rental revenue per month	1000	
Laser rental revenue per year	12,000	
Total Laser investment (one device)	2,500	

ROI is possible in 3 months or less
